

# Using Inner Receptacles in Single Packagings

**? 1. Can the item be shipped in a single container?  
(Check Packing Paragraph)**

**? 2. Is the relative density of the tested single container equal to or greater than the relative density of the item to be shipped?**

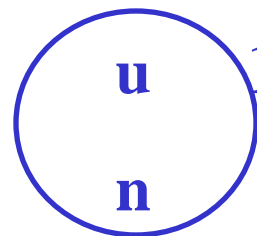

**? 3. Is it safe to ship inners in the outer container?**

- Sharp edges
- Cushioning

**? 4. Will I exceed the Tested Gross Mass?**

(Calculation required)

**1A2 / X / 250 / 99 / USA / DoD**
